Meters are read around the 25<sup>th</sup> of each month. For initial bills or new service, if service begins to provide 0-15 days of service, you will get a pro rated bill on the 1<sup>st</sup> of the following month. For a new service that provides more than 15 days of service you will get a normal bill on the 1<sup>st</sup> of the following month, however consumption may be somewhat less than normal. You can expect the bill around the first week of each month. Payments are due by the 15<sup>th</sup> or a 10% late fee is added to your account.
